B. Leaves applicable

An intern shall be allowed to avail the following leaves;-

(a) Normal Leave:

- (i) Interns shall be permitted a maximum of fifteen days leave with prior permission, during the entire period of internship.
- (ii) The entire period of fifteen days cannot be availed during any of the one week or two weeks postings applicable to a single department or specialty.

(b) Maternity Leave:

Lady Interns may be permitted Maternity Leave according to prevailing rules and regulations of the State Government (Please see clause (e) for extension)

(c) Paternity Leave: Male interns may be permitted paternity leave for two weeks either in continuation or in intervals of one week each within one year of internship (Please see clause (e) for extension)

(d) Medical Leave:

- i) Medical Leave shall be included within the fifteen days of normal leave.
- ii) Any medical leave beyond this period shall be recommended only by a duly constituted Medical Board (Please see clause (e))

(e) The internship shall be extended if the total leave of absence of any kind exceeds beyond 15 days:

- (i) The period of extension shall be equivalent to the period beyond permissible fifteen days of leave, irrespective of type of leaves (including leaves described under clause (a) to (d)). This is must to inculcate requisite skills and competencies to work as effective Indian Medical Graduate (IMG)
- (ii) The internship shall be repeated only in the department or specialty wherein the above extension is necessary.

C. LOG BOOK:

It shall be compulsory for an Intern to maintain the record of procedures done/assisted/observed by him/her on day-to-day basis in a prescribed log-book. Failure to produce log-book, complete in all respects duly certified by the concerned authority to the Dean/Principal at the end of Internship Training Programme, may result in cancellation of his or her performance in any or all disciplines of Internship Training Programme.

The intern shall maintain a record of work, which is to be verified and certified by the mentor under whom he works. Apart from scrutiny of the record of work, assessment and evaluation of training shall be undertaken by an objective approach using situational tests in knowledge, skills and attitude during and at the end of training.

D. Issue of Internship Completion Certificate:-

Internee shall be issued internship completion certificate by the office of the Dean / Principal after completion of Compulsory Rotating Medical Internship training programme satisfactorily. Internship completion certificate is to be issued to the student by Dean of the respective colleges, in the format as given in Annexure I and II. Additionally a copy each of Annexures I to IV is to be sent to the MUHS. Internship completion certificates may also be sent to MMC, if required.
